

## **Non-financial** indicators

2021

From 22 to 58 years old

Annual certificate of

organic waste recycling

Issuer of the certificate

Nature and amount of

Kitchen and food waste

Various areas in the vicinity of

processed waste

Recycling location

Besançon

Trivial'Compost

Origin of waste

ERDIL

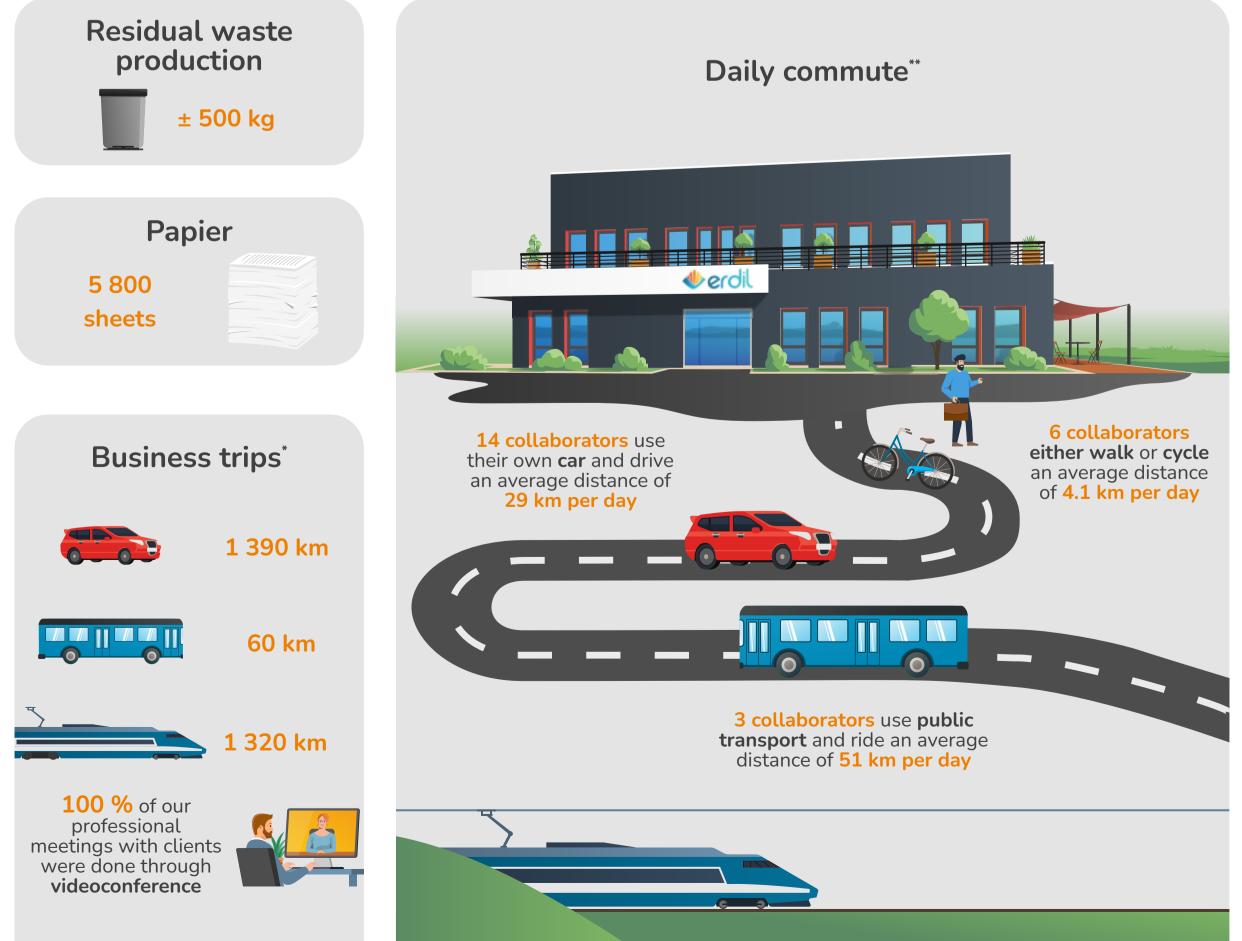

Not including Covid-19 related absences: 0.52%

## **Electricity consumption**

## Noteworthy action: Organic waste recycling with Trivial'Compost

ERDIL cooperates with local organisation Trivial'Compost in order to recyle its organic waste. Waste and peelings are collected by bike before being taken to a local composting area.
