NOTEWORTHY ACTION: "TEMIS PROPRE" AFTERNOON

A suggestion coming from one of our collaborators, the "Temis Propre" afternoon was designed during our CSR committee's meetings. The goal of this event was to raise awareness about waste production, as well as to set up a trash pickup event, in an attempt to reduce the amount of litter in our neighbourhood: the Besançon technopolis TEMIS.

This action took place on Friday 10 June 2022 alongside several neighbouring organisations and institutions and was supported by the City of Besançon, which provided equipment (bags, protection gloves, trash pickers, etc.)
